MY POINT OF VIEW

A WARM welcome to Colin Murphy and his high-flying Lincolnshire City side. Currently second from the top and looking a cert for promotion, they have the best defensive record in the league, especially away from home where they have only conceded six. In fact they have conceded twice as many at home. It certainly looked to be an interesting fixture today.

Aldershot Trip.

Last week's trip sure proved to be as successful as last year's game when we won 3-0 and to be honest it could have been the same again, especially in the first half when some of our football was top-class. Glen Johnson the "Shots" keeper kept them in the game. Tony Quinn's opener in the first minute was to prove the winner, and it set the youngster a fine

pattern, because I felt that his game last week was possibly his most competitive since his introduction into the first team.

Sunday Football

I would like to express my opinion on the proposed Sunday football. As far as I am concerned I believe in anything that will be for the good of football. It remains to be seen if playing on a Sabbath would help increase the gates, but I believe in trying anything once. I still, however, accept our club's decision and if it turns out we are against it, then so be it.

GREAT NAMES FROM THE PAST

BY HAROLD ASHURST

ANOTHER player to "catch the eye" in the late 1950's was John Bramwell, an Ashton-born player who really "made good". John was signed about 1957 by the Latics manager of the time, a man called Pat Murphy, who joined the Athletic for a short spell after serving with Scottish club Stirling Albion and non-league Marine (Crosby).

Backed by Chairman Sid Littler the recruitment of left half Bramwell proved to be a great success. After a short spell in the

reserves, John was introduced to the first team who were at that time challenging for honours in the Cheshire League. The powerfully built, tall Bramwell soon became a great favourite with the Springfield Park fans and his exceptional ability both in the air and on the ground soon had the big clubs snooping around. It was obvious from the outset that Latics would have difficulty hanging on to Bramwell, and, sure enough, just twelve short months after signing for Wigan, John was snapped up by First Division Everton.

The Goodison Park club converted Bramwell into a left full back and he had great success there for a number of seasons before moving on to Luton Town. Everton paid Latics just over £3,500 for Bramwell and it was a transfer fee that was to stand as a record for Wigan for several seasons.

Latics Director, Jack Farrimond was on the Board when Bramwell was signed. He remarks "John was one of the few Latics players ever to really make the grade after leaving us. He was in the same mould as Joe Hinnigan, and, at today's prices, we would have got about £150,000 for such an accomplished player".

WE BEGAN the second part of our Umbro campaign, this time a Cup Competition, with a 1 - 1 draw away at Port Vale.

The Cup is based on a points system so it was a useful point for us. We have played much better in the past however and I feel the lay off between games affected our rhythm somewhat and we looked a shadow of our usual selves in the first half. One or two minor changes at half time brought

about a drastic change in the second half and we gave a much more pleasing performance after this. John Curtis was our most consistent performer throughout the whole ninety minutes and Jeff Wright making a rare reserve team appearance, after recovering from injury, prompted and encouraged us from midfield. He was a big help to Steve Wigley, a young midfielder playing his first game from Cheshire League club Curzon Ashton, and Steve can think himself lucky to have had Jeff alongside him in midfield for his debut.

Our goal, when it eventually came was an own goal by Vale centre half Brissett who delicately lobbed his own keeper when put under pressure by Jim Oliver; it was no more than our second half performance deserved.

Team: 1. John Brown, 2. John Curtis, 3. Willie Gray, 4. Jeff Wright, 5. Jim Oliver, 6. Steve Silcock, 7. Davie Glenn, 8. Steve Wigley, 9. Mick Quinn, 10. Mark Wignall, 11. Lawrence Tierney, 12. Kevin Langley.

PERHAPS the most disappointing feature of our activities this season has been our failure to take the development of our Soccer Shop a stage further after last year's promising beginning. No doubt, in the current recession, local fans, already faced with the problems of increased admission charges, transport costs, catering price increases, not to mention the far more pressing threats of redundancy and unemployment, have found it difficult to find the extra purchasing power to take advantage of the wide variety of souvenirs and clothing items offered by the club. Obviously, once one has a serviceable bob cap, scarf, and sweater, there is no urgent need to purchase additional items of this type, but we have tried to introduce new lines in the hope of maintaining and improving our shop operation.

Bearing the above in mind, may we draw your attention to our decision to reduce prices on the majority of our merchandise held in the shop, not only to keep stock levels moving, but also to go some way towards bringing more of the items available within the range of our customers' spending power. Why not call in soon for a glimpse of the many bargains which we have on offer?

We are delighted to acknowledge, for the second time

this season, the sponsoring of our game by Wimpey Construction U.K. Limited. We particularly wish to express a warm welcome to the company's Regional Director, Mr. Dennis McGrath, a personal friend of Mr. Charlton, and thank him personally for the interest his company has shown in the Wigan Athletic Football Club.

Today's match ball has been kindly donated, again for a second time, by Mabs Cross Motors Limited, Mesnes Street, Wigan, Telephone No. Wigan 43271. Mabs Cross is Wigan's Vauxhall Centre. A good range of new and used vehicles are available for immediate delivery. A comprehensive stock of genuine Vauxhall/Bedford spare parts and accessories are held. Repairs and servicing to all makes of vehicles are carried out in workshops staffed by qualified mechanics.

Enjoy today's game.
Jack Sudworth,

Commercial Manager.

Dear Readers,

Springfield Park, Wigan. 28th January, 1981.

I am delighted to report that this week we have received several interesting letters covering a wide range of topics. However, I have no hesitation in selecting Mr. Bennett's effort as being the best of the letters received. He will, of course, receive his complimentary ticket for the Darlington game in the very near future. Meanwhile, do write in, because we are always pleased to read what you have to say.

Jack Sudworth, Commercial Manager.

18 Chisholm Close, Standish, Nr. Wigan, WN6 0QP. 21st January, 1981.

Dear Sir,

With the Wigan Athletic Football Club suffering from a fair share of postponements lately and the bad weather threatening to cause widespread postponements throughout the Football League, perhaps more clubs should think about a means of pitch protection.

The pitch at Springfield has never been in such good condition at this stage of the season, but the use of straw, as in 1978-1979 season, would only have a detrimental effect. However, with clubs unable or unwilling to spend large amounts of money on underground heating etc., the only solution would appear to be a balloon-type covering as used at Leicester which, although relatively inexpensive to instal and run may still be out of the reach of Third and Fourth Division clubs.

Unprotected pitches can lead to last minute call-offs which are both unfair to the travelling spectator (Wimbledon v Latics for example) and can lead to clubs losing revenue.

Has the Wigan management any ideas on the matter besides summer soccer?

Yours faithfully,
G. Bennett

PAST experience of games against clubs based in Lincolnshire leads us to believe that today's game against "The Red Imps" will be of a dour and uncompromising nature. Certainly, in our three previous encounters with Lincoln City, we have encountered opposition which has been determined to fight for every ball and not concede an inch of ground easily.

Unless the level of their side's performance falls away dramatically in the second-half of the season, spectators at Sincil Bank can look forward with confidence to the prospect of Third Division League Football being played at the ground in Season 1981-1982. Boasting the meanest defensive record of all Fourth Division Clubs, and backed up by aggressive attackers fully capable of knocking in the vital goals which mark the difference between a successful side and one which is forced to struggle to gain the goals that bring success, this year's Lincoln City team, along with its Southend United counterpart, is disputing the championship week in and week out. Manager Colin Murphy can be justifiably proud of his team's consistent performances.

Whatever the competitive nature of the fixtures played by the Wigan Athletic and

Lincoln City Football Clubs, it is pleasing to report that each has a respect and admiration for the other's attitude to the game and its presentation. After the game, directors, players, staff and supporters join together in a relaxed social atmosphere.

To those who have made the journey from Lincoln today, we extend a very warm welcome, and we express the hope that the months ahead will bring you the promotion which your club so earnestly seeks. We hope that we may enjoy the pleasure of your company on many future occasions.

PERHAPS the biggest shock of the season to date was this week's decision by Crystal Palace to appoint Wimbledon chief Dario Gradi as their new manager. While Gradi's assistant at Plough Lane, Dave Bassett, now takes over at Wimbledon, the two managers could eventually find their respective clubs sharing Selhurst Park next season. Ron Noades, the man who bought out Crystal Palace this week, is currently still chairman of Wimbledon and is behind the communal ground scheme.

Elsewhere, there has been some furious activity around the Division Four scene. Former Everton and Crystal Palace star Alan Whittle joined A.F.C. Bournemouth on a two-week trial shortly after having his contract with Orient cancelled by mutual consent. Mansfield Town's £50,000 buy from Tranmere Rovers, Jim Lumby, made a dream start to his career at Field Mill, scoring within ninety seconds and with his first kick on his home debut against Crewe Alexandra. It was a bad week for Aldershot. They lost their unbeaten home record to Latics, only days after announcing a £48,000 loss for last season compared with a healthy £195,000 profit the previous year.

Hereford United appoint Joe Laidlaw as their new team captain, replacing Peter Spiring, and collected their first away league victory of the season at York. Port Vale's attempt to entice Bolton defender Peter Nicholson to Vale Park on a free transfer fell through but Rochdale successfully completed a deal which kept trialist Bob Higgins at Spotland.

Halifax Town appoint their fourth chairman of the season, land-owner and property developer Sam Rorke, the club's largest shareholder. Town incidentally signed

Walsall goalkeeper Ian Turner on a month's loan in order to rest John Kilner who has made sixty-nine consecutive appearances. Hartlepool United striding towards promotion, have put talented young midfielder player Mark Lawrence on the transfer list at his own request. Finally, the club with the right idea for the winter is today's visitors Lincoln City. Lincoln took advantage of a week free of fixtures to fly to Jersey to take on a Jersey FA representative team.

SCENE & HEARD

SOME little while ago, in this programme, we promised to run a competition to determine, through the supporters' eyes, the best team ever to represent Wigan Athletic. On reflection, it would be very hard to relate the skills and styles of former players in the period prior to Wigan Athletic's entry into the Football League, while, at the same time, judging their capabilities as part-time players against the demands placed upon their more recent full-time professional successors. Similarly, it would be unfair to expect our younger supporters to give full consideration to a playing era which spans almost 50 years. Consequently, we have decided to run two separate competitions; one to cover the period 1946 to 1978, and the other the period 1978-1981. We trust we will not offend too many people by the omission of the pre-Second World War period from the years under consideration.

We would like our fans to select either a team of non-league players for the first competition, or a team of full-time professional players for the

second competition, drawing the selections from players who represented the club in the periods mentioned. As a guide line, and to help bring the selected teams in line with modern formations, we would appreciate it if the teams could be lined up in 4-2-4, 4-4-2, or 4-3-3 systems. We would like the nomination of a substitute for each team selected, and the reason to be stated why the player in question would make an ideal substitute. In the event of several selected teams being considered of equal merit, the selection of substitute, and the reasons for his selection, would be a deciding factor in establishing one winner for each competition. Judges for the respective competitions will be announced in due course. Two stand tickets will be awarded to the winners of each competition, and your entries should be forwarded to "Top Team", the Commercial Department, Springfield Park, Wigan, and be endorsed "Non-league" or "League". Closing date for the receipt of entries will be Saturday, 21st February, 1981.

The Chairman's Column

ON BEHALF of the Wigan Athletic Football Club, I am delighted to welcome the Directors, Management, Staff and supporters of the Lincoln City Football Club to Springfield Park today for what we hope will be a competitive and entertaining game. Certainly our team will need to be on top form to meet the challenge from a side which is enjoying a consistent run of success in the race for the Fourth Division Championship.

A great deal has been spoken and written recently about ways and means of giving our favourite game a transfusion of new ideas which it is hoped will stimulate the interest of players and spectators alike, and carry the game forward into the 1980's in an exciting and positive way. You will no doubt have read in one of our local papers the results of the survey which was carried out, in order to obtain the feelings of the man on the terraces, as to how football should develop. I would like to assure our loyal followers that my Board of Directors and myself are most anxious, as far as is humanly possible, to do what we can to fall in line with popular demand. We have already taken the decision, on the strength of opinions expressed, not to stage Sunday Football at Springfield Park for the time being. However, we must not lose sight of the fact that we also have an obligation to our fellow members of the Football League, and we have been delighted to inform our old friends at Bradford City and Tranmere Rovers that, subject to Football League approval, we are quite prepared to play this season's away fixtures at Valley Parade and Prenton Park, on a Sunday, in an attempt to assist our colleagues in attracting additional spectator support. It can only be for the greater good of the game, if clubs can co-operate and be ever mindful of the interests of the paying spectator.

We have all been considerably heartened by the recent improvement in our team's away performances; it now remains for us to start putting things together in front of our own spectators. If we had only put away the penalties and the chances offered to our attackers in recent home games, we would have been in a strong position to challenge for promotion. All is not yet lost, but we will need a very long run of consistent success if we are to gain a place in the top four at the season's end.

Enjoy today's game, and get right behind Ian McNeill and his team.

Yours sincerely,

Freddie Pinc

Chairman
